Dear Parent/Guardian,

We hope that you remain safe and well as we continue to negotiate our way through this crisis. As we approach the end of the school year we are writing to update you on the End of Year Assessment arrangements.

Third Year students will receive a Certificate of Completion from the DES and an Achievement Report from school. I have written separately to the 3rd Year parents in relation to this.

1st, 2nd and 5th Year students will receive an end of year grade based on two elements:

- 30% for each student's final assessment in each subject.
- 70% will be derived from continuous assessment and previous achievements over the course of the year.

Over the coming days teachers will be discussing the assessment tasks with their students.

Assessment Dates

We will not operate a formal exam timetable this year. Teachers will set the assessment tasks and deadlines for their individual class groups. All assessments will be completed by May 22nd.

Reports

All students will receive an End of Year report which will include an overview of how well they have engaged in remote learning over the course of the school closure.

End of Year Assembly & Prayer Service

The end of year Assembly and Prayer Service will take place on Friday 15th May. Year Heads will be in contact with the students through Schoology to advise them of the time and with details of how to log on.

As the year draws to a close we thank you as parents for your continued support and pray that we return to more normal times in the not too distant future.

With every good wish,
