Dear Parent/Guardian,

Thank you for confirming your child's place on the Transition Year Programme for 2020/21. As outlined in the offer letter the Transition Year Fee is €400. We have a very dynamic TY programme providing the students with a wide range of new learning opportunities and experiences. To ensure that we can continue to delivery such a quality programme is is vital that we receive the payment from all students.

We would normally ask for an initial payment of €200 with the acceptance form, however given the current circumstances we have extended the deadline for payment of this first instalment.

We would ask that this payment is made by **Friday 21st August**. We are having difficulties with our Easy Payments system at present so online payment is not possible. As soon as this is resolved we will notify parents. In the meantime payments can be dropped into the school office on **15th, 16th, 17th June between 9.00am and 12.00noon**. The office will re-open again for payments on **19th, 20th, 21st August between 9.00am and 12noon**.

The balance of the TY fee will be due by **Friday 30th October**.

There remains uncertainty around the return to school dates and we are awaiting guidance from the Department of Education. Once we have greater clarity we will send out a letter to parents advising them of start date for Transition Year.

We would like to take this opportunity to thank you for the support that you have given your child as they made their decisions around Senior Cycle. We look forward to welcoming a new group of students to Transition Year and we have no doubt that they will be enriched by the opportunities and experiences that the year will present.

With every good wish,

Leona Harrington
