

16<sup>th</sup> August 2021

Dear Parents and Students

It is with sadness, but also excitement, that I wish to let you know that I am resigning as Principal of Le Chéile Secondary School, Tyrrelstown on the 4<sup>th</sup> of October in order to take up principalship of Sancta Maria College, Louisburgh, Co. Mayo.

My experience of leading the establishment of Le Chéile Secondary School has been the highlight of my professional life. I love everything it has grown into. Our students are wonderful and they are so because of your hard work as parents. I will miss you. I wish each of you every blessing and hope that I will always be welcome to visit and see the development of your school and town.

Know that you are all very welcome to call to see me in Louisburgh should you ever be down this way!

“For all that has been, thank you. For all that is yet to be, YES!”

Every good wish

Áine
